through Goodyear's system of distribution. It is a system made possible by the enormous sale of Goodyear Tires

Offered in Goodyear Tires as the savings effected To several thousand selected Canadian dealers Goodyear sells tires direct, and the money that would go as

profit to sobber is largely saved. Shipments to distributing points are so large that we make the savine of carload freight rates. Orders from dealers are large enough to reduce clerical expense to a

NE of the chief sources of the additional value

small factor. Such efficiency in practice and the resulting increased business has reduced expense-per-tire to a minimum.

The saving-per-tire between factory and dealer is approximately \$2.00 In total this saving represents hundreds of thousands of dollars turned back into the product to beighten quality.

and keep prices down. So a 30 x 31/2 Goodyear All-weather Tread Tire with Goodyear Heavy Tourist Tobe costs you to-day only \$31.05. Six years ago it cost you \$30.45. An increase of

only 1.9 per cent., while most commodities and labor increased over 100 per cent. And Goodyear Service Station Dealers help you get all

the mileage that is built into the tires. The resulting low cost-per-mile of Goodyear Tires has built the largest tire sales in the world.
